Label Printer PT-P300BT

## <Sales Revenue>

## (Communications \& Printing equipment )

$\checkmark$ Sales volume of both monochrome and color LBPs surpassed that of the previous year due to increased sales of the models targeting the SOHO market.
$\checkmark$ As for IJP, our focus was shifted to highly profitable models.
(Electronic stationery)
$\checkmark$ Sales steadily increased in the labeling and mobile solutions businesses.
$\checkmark$ Sales of PT-P300BT, a label writer for smartphones, were strong in Japan

## <Operating Profit>

$\checkmark$ Operating profit increased largely as a result of pursing improvement of model mix, controlling of promotional expenses, and reducing of fixed cost in accordance with the strategy for profitability enhancement.
$\checkmark$ The profitability of IJPs improved due to an increase of highly profitable models
$\checkmark$ Steady sales increase of consumables contributed as well.

## <Sales Revenue>

(Industrial sewing machines)
$\checkmark$ Sales decreased due to sluggish growth in demand in Southeast Asia as well as a negative impact of forex resulting from the yen's appreciation

## (Machine tools)

$\checkmark$ Despite sales decrease, the machine tools business continues to recover, while sales in the automobile related market, which is our field of focus, grew firmly and we received IT-related large quantity orders during the fourth quarter.

## (Industrial Parts)

$\checkmark$ Both domestic sales and overseas sales remained at the same level as last year.
<Operating profit>
$\checkmark$ Operating profit decreased significantly due to appreciation of the yen and increased prior investment for further growth, as well as decrease sales of machine tools.

| Operating Profit | $\mathbf{9}$ | -5 | - |

## <Sales Revenue>

$\checkmark$ In the online karaoke business, sales decreased because sales of the new on-line karaoke equipment have settled down
$\checkmark$ In the karaoke club business, sales remained steady due to the reorganization of unprofitable clubs.

## <Business Segment Profit>

$\checkmark$ Business segment profit stayed at the same level as the previous year owing to cost reduction in the karaoke club business and reduction of SG\&A.

## <Operating Profit>

$\checkmark$ Despite the impact caused by the temporary expenditure needed for structural reform to enhance profitability, operating profit returned to the black because impairment loss that had been reported in the previous period no longer existed.

## DOMINO Domino Business

## <Sales Revenue>

$\checkmark$ Our core business of coding and marking business is growing steadily on a global basis despite the changes in the business environment, such as sharp drop of the exchange rate of the pound.

In the digital printing equipment business, codevelopment is being pursued to create a synergy effect between Domino and Brother.

## <Operating Profit>

$\checkmark$ The profit growth remained at a similar level to the previous year on a yen basis but increased significantly on a pound basis due to various and active prior investments made to actualize future profit growth and accelerated depreciation of the pound caused by Brexit.
