[Principle 1.4] (Cross-Shareholdings)

“Policy Regarding Cross-holdings of Shares of Other Listed Companies”

- As a basic policy, unless we consider these holdings to be meaningful, MHFG and our core subsidiaries* will not hold the shares of other companies as cross-shareholdings. This reflects factors including the changes in the environment surrounding corporate governance and the potential impact on our financial position associated with stock market volatility risk.
- We consider cross-shareholdings to be meaningful if they contribute to maintenance and improvement of the corporate value of issuers and the Mizuho group based on their growth potential, outlook, or revitalization perspectives or as a result of studies on present and future economic feasibility and profitability.

- We will regularly and continually examine whether shares held as cross-holdings are meaningful, and we will dispose of holdings we determine deficient in meaning with due regard to the impact on the market and other matters. We will continue to hold shares that we consider to be meaningful.

“Standards Regarding the Exercise of Voting Rights Associated with Cross-shareholdings”

- MHFG and our core subsidiaries will exercise voting rights after comprehensive consideration of whether an issuing company has established effective corporate governance and is making appropriate decisions to improve its corporate value over the medium to long term. We will also consider any impact to our own corporate value. Further, if we are unable to agree on proposals made by issuing companies, we may consider disposing of our share holdings.
- We will consider specific proposals through dialogue with the issuing companies and studies conducted by our own specialized divisions. Especially when proposals could affect corporate value or shareholder interests**, we will decide on the exercise of voting rights after comprehensive consideration of the purposes of the proposals and the issuing company’s approach to improving corporate value.

*: Core subsidiaries are Mizuho Bank, Ltd., Mizuho Trust & Banking Co., Ltd. and Mizuho Securities Co., Ltd.

** : Examples include the following:

Proposals to elect directors and auditors and grant retirement benefits when an issuing company has posted a loss or paid no dividends for a certain period of time.

Proposals for reorganization through merger, etc.

Proposals for anti-takeover measures.

MHFG has published assessment results of cross-shareholdings on its website at <https://www.mizuho-fg.com/company/structure/governance/structure/hold.html>

- As a result of a resolution of the Board of Directors, MHFG has established the “Mizuho Code of Conduct” and the “Compliance Manual” to prohibit conflicts of interest conduct, bribery of shareholders in relation to exercise of their rights, and favors to shareholders, and to disseminate and ensure compliance with an arm’s-length relationship in related-party transactions. The Board of Directors, Audit Committee, Executive Management Committee and the President & CEO receive reports and perform monitoring, with respect to the status of compliance, etc., periodically and as necessary.
- When directors or executive officers engage in transactions in the line of business of MHFG or transactions that have conflicts of interest, MHFG has expressly provided in the “Regulations of the Board of Directors,” which was established as a result of a resolution of the Board of Directors, that such transactions are matters subject to approval by the Board of Directors, which are monitored at the Board of Directors through approval of or report on each actual transaction and audited at the Audit Committee pursuant to the “Audit Policies of the Audit Committee.”

The Board of Directors shall not have more than fifteen (15) directors, which is the number of directors prescribed under the Articles of Incorporation. In light of the role of the Board of Directors to supervise the management, non-executive directors (outside directors and internal directors who do not concurrently serve as executive officers, managing directors, employees, or executive directors of MHFG or any subsidiary of MHFG) shall comprise a majority of the directors in the Board of Directors, while at least six (6) directors shall be outside directors (to fulfill the “Independence Standards of Outside Directors of the Company”). As of today, six (6) out of eleven (11) directors are outside directors.

With regard to our perspectives on the composition of the Board of Directors, MHFG has provided such information in “Composition of the Board of Directors” of its “Corporate Governance Guidelines,” published on its website at https://www.mizuho-fg.com/company/structure/governance/g_report.html#guideline.

For the status of directors’ major concurrent positions as of the date of this report, see “II. 1. 【Matters regarding outside directors】 —Relationship with the Company (2)”.

[Supplementary Principle 4.11.3] (Preconditions for Board Effectiveness)

With respect to the “Evaluation of the Effectiveness of the Board of Directors,” we believe that directors themselves should continuously consider what the governance should be like while they conduct self-evaluation.

(Evaluation Method)

It was evaluated that improvements were being made to achieve “what we (Mizuho) aim to be,” which was established in the fiscal year ending March 31, 2016, based on the Company’s “Corporate Governance Guidelines” and domestic and foreign laws and regulations and practices.

The Board of Directors conducted self-evaluation through the following procedure:

- (1) The interim evaluation was conducted in December 2016 at an Outside Director Session where only outside directors attended;

- (2) Utilizing the experience of a third party institutional evaluator with extensive knowledge of financial institutions and corporate governance, a “Third Party Evaluation” was made based on individual interviews given to all directors after they answered questionnaires, as well as interviews with heads of in-house companies, the Corporate Secretariat supporting the Board of Directors and the Audit Committee office; and
- (3) The Board of Directors in the April and May 2017 meetings took into account the interim evaluation and the “Third Party Evaluation” mentioned above, and discussed issues to be addressed regarding ensuring the effectiveness of the Board of Directors and measures to be taken going forward

(Overview of Evaluation Results)

With regard to the Board of Directors and Corporate Governance, it was confirmed that “what we (Mizuho) aim to be” was largely realized and that the present condition of corporate governance is generally good. Corporate governance has become even more sophisticated than before, there have been more active discussions of the topic than before, and various schemes have been implemented to advance corporate governance. Based on this, the effectiveness of the Board of Directors as a whole has accordingly been secured and there have been improvements from the prior year.

On the other hand, in line with the increased sophistication of corporate governance, it was recognized that further issues can be addressed, and we will continue to make further efforts on the following three points:

- (1) Strengthening the mechanisms that support the increased sophistication level of corporate governance
- (2) Taking further measures to help the management to take advantage of implications from the enhanced supervision
- (3) Undertaking further enhancement of operations of the Board of Directors meetings and Audit Committee meetings

Based on this evaluation of effectiveness, we will further consider and devise additional necessary measures to maximize the supervisory functions of the Board of Directors.

For detailed results of the “Evaluation of the Effectiveness of the Board of Directors,” please see “Outline of Results of the ‘Evaluation of the Effectiveness of the Board of Directors’ for the Fiscal Year Ended March 31, 2017,” published on our website at

https://www.mizuho-fg.com/company/structure/governance/g_report.html#evaluation.

Mizuho has introduced an in-house company system based on the group's diverse customer segments. The aim of this system is to leverage Mizuho's strengths and competitive advantage, which is the seamless integration of Mizuho's banking, trust, securities, asset management and research and consulting functions under a holding company structure, to speedily provide high-quality financial services that closely match customer needs. With increased strength and speed, each in-house company can develop consistent strategies according to the attributes of its customers during all processes from the formulation of strategy to its execution across several entities.

Each of MHBK, MHTB, and MHSC has decided on a policy of changing its corporate governance system from the current “Company with Board of Company Auditors” structure to the “Company with Audit and Supervisory Committee” structure and has started to prepare for the transition. Each of the core subsidiaries aims to realize a higher level of supervision by the Board of Directors and swifter decision-making, in order to perform its roles more effectively under the Group’s in-house company system. Thus, the Group will further enhance its corporate governance on a group basis.

Matters related to the independence of such directors and employees from executive officers

MHFG has established Audit Committee Office as a division responsible for assisting duties of Audit Committee and placed employees who are not subject to the chain of command structure of executive officers. In order to ensure independence of the employees assigned to Audit Committee Office from executive officers, we seek prior consent of Audit Committee with respect to the reorganization of Audit Committee Office, personnel changes and other matters relating to employees assigned thereto and establishment of the budget thereof.

Status of communication between the Audit Committee, accounting auditors and Internal Audit Division

The Audit Committee executes its duties on the premise of the establishment and management of an internal control system in MHFG and its subsidiaries by approving the basic internal auditing plan and the entrustment of the Head of Internal Audit Group, receiving periodic reports with respect to the status and results of audits and exchanging opinions as necessary with the Internal Audit Group.

In addition, the Audit Committee monitors and inspects that accounting auditors are independent and appropriately conduct audits and receives periodic reports with respect to the status, etc., of audits from and exchanges opinions as necessary with accounting auditors in order to mutually strengthen cooperation.

The Internal Audit Group exchanges opinions and information with accounting auditors with respect to their assessment of risks on a regular basis and as necessary to strengthen cooperation so as to enhance effectiveness and efficiency of the overall audit function.

The disclosure of policies determining the amount of compensation or method of calculating compensation

Executive compensation for MHFG and the Core Subsidiaries pursuant to such policy aims to function as incentive and compensation for each officer to exercise the designated function to the fullest with respect to striving to realize management with consideration to value creation for various stakeholders and improve corporate value through continuous and stable corporate growth based on our basic management policies under our Corporate Identity.

- Basic Policy

The basic policy with respect to the determination concerning the individual compensation of Directors, etc., of MHFG and the Core Subsidiaries is set forth below:

- 1) The executive compensation shall be based on the function and responsibility assigned to and the performance of each of the Directors, etc.
- 2) The executive compensation shall give consideration to improving corporate value and creating value for various stakeholders over the medium to long term.
- 3) The executive compensation shall reflect the management environment and business performance of our group.
- 4) The executive compensation shall enable compensation for securing expert personnel such as professionals with a competitive edge in the market.
- 5) The compensation system and standards shall be reevaluated based on such factors as the economic and social conditions and survey data with respect to management compensation provided by external specialized organizations.
- 6) Regulations and guidelines, etc., concerning executive compensation, both in Japan and overseas, shall be complied with.

- Compensation System

1. The compensation system for executive officers as defined in the Companies Act (including executive officers who are directors), executive officers as defined in our internal regulations, and specialist officers, and directors, executive officers, and specialist officers of the Core Subsidiaries responsible for business execution (“Officers Responsible for Business Execution”) shall be separate from that for the non-executive directors of MHFG and the directors of the

Core Subsidiaries responsible for management supervision (“Non-Executive Officers Responsible for Management Supervision”).

2. The basic compensation system for Officers Responsible for Business Execution shall consist of basic salaries in the form of fixed compensation as well as variable compensation consisting of performance payments and performance-based stock compensation. The ratio of fixed compensation to variable compensation, the range of variable compensation based on business performance and the payment method shall be designated in light of sound incentivization for sustainable growth and restraint on excessive risk taking, while taking into account regulations and guidelines as well as research data, etc., both in Japan and overseas, concerning executive compensation. In principle, the ratio of fixed to variable compensations shall be 6 to 4 and the ratio of performance payments to performance-based stock compensation shall be 1 to 1, based on which the standard amount shall be calculated for each position. The variable compensation shall reflect each officer’s performance within the range of 0% to 150% of the standard amount for each position. The basic salaries, the performance payments and the performance-based stock compensation as well as the payment methods, etc., are in principle as set forth below:
 - 1) The basic salaries shall factor in each officer’s function and responsibility in addition to the standard amount for each position.
 - 2) The performance payments shall be monetary made as officers’ incentive to achieve the annual budget and as compensation for their achievement. The payment thereof shall reflect each officer’s performance in addition to the standard amount for each position. A system shall be adopted which enables certain amount of deferred payments of the performance payments over three years, as well as a decrease or forfeiture of the deferred amount depending on performance, etc.
 - 3) The performance-based stock compensation shall be paid in the form of shares of common stock of MHFG acquired from the stock market through a trust with an aim to align officers’ interests with those of the shareholders and increase the incentive to enhance corporate value. The payment thereof shall reflect each officer’s performance in addition to the standard amount for each position. A system shall be adopted which enables the entire amount of deferred payments of the performance-based stock compensation over three years, as well as a decrease or forfeiture of the deferred amount depending on performance, etc.
 - 4) The variable compensation intended for professional personnel, etc., appointed from outside the group shall be individually designed based on the duties and characteristics of business responsibilities and market values, etc., of each officer, a system which enables certain amount or a portion of deferred payments and non-monetary payments such as stock, as well as a decrease or forfeiture (clawback) of the deferred amount depending on the performance, etc., of the company and such personnel.
3. The compensation for Non-Executive Officers Responsible for Management Supervision, in principle, shall be in the form of fixed compensation from the perspective of ensuring the effectiveness of the supervisory function and shall consist of basic salaries and stock compensations.
 - 1) The basic salaries shall factor in each officer’s function and responsibilities in addition to the basic amount for each of the full-time and part-time non-executive officers.
 - 2) The stock compensation shall be paid to full-time internal directors excluding outside directors in accordance with the standard amount based on each position. However, the payment standards shall not fluctuate depending on each officer’s level of performance. A system shall be adopted which enables the entire amount of deferred

 3. All members of the Compensation Committee shall be appointed from among outside directors (or at least non-executive directors) and the Chairman thereof shall be an outside director.
 4. The Compensation Committee, where necessary, may have officers who are not members of the committee (including officers of the Core Subsidiaries) such as the President & CEO and external experts, etc., attend its meetings and request their opinion.
- Revision and Abolishment of the Policy

Revision and abolishment of the Policy shall be resolved by the Compensation Committee of MHFG.

【Support system for outside directors】

MHFG established a system to ensure the effective and smooth operation of the Board of Directors and each of the Nominating Committee, Compensation Committee and Audit Committee as set forth below:

- 1) Establishment of the position of the Deputy Chairman (Non-Executive Director) in cases where the Chairman of the Board of Directors is an outside director
- 2) Establishment of dedicated organizations (Corporate Secretariat and Audit Committee Office) that carry out businesses related to the secretariat of the meeting bodies (such as organizing interested departments related to proposals and explanatory materials, prior explanations to outside directors and other businesses related to supporting the Chairman of the Board of Directors and each director)

2. *Matters regarding the function of execution of duties, audit and supervision, appointment, decisions on compensation, etc. (Overview of current corporate governance structure)*

MHFG maintains the following corporate governance structure.

☐Supervision

☐Board Members and Board of Directors

The main roles of the Board of Directors of MHFG are making decisions on business execution such as basic management policies, which are legally matters to be determined solely by the Board of Directors, and supervising the execution of duties by directors and executive officers. The Board of Directors, in principle, delegate to our President & CEO, who is also the Group CEO, decisions on business execution (excluding matters that are legally required to be determined solely by the Board of Directors), for the purpose of realizing swift and flexible decision-making and expeditious corporate management and strengthening the supervision of directors and executive officers by the Board of

Directors.

In light of the role of the Board of Directors to supervise management, the majority of the members of the Board of Directors consist of outside directors and internal directors who do not concurrently serve as persons performing executive roles (“Internal Non-Executive Directors,” and together with outside directors, “Non-Executive Directors”). Currently, the Board of Directors consists of a total of 11 directors (six outside directors, two Internal Non-Executive Directors and three directors concurrently serving as executive officers), one of which is a female director.

The Chairman of the Board of Directors shall, in principle, be an outside director (or at least a Non-Executive Director) in light of the role of the Board of Directors to supervise management. Ms. Hiroko Ota currently serves as the Chairman of the Board of Directors.

○Nominating Committee

The Nominating Committee of MHFG determines the contents of proposals regarding the appointment and dismissal of directors of MHFG to be submitted to the general meeting of shareholders and exercises the approval rights held by MHFG with respect to the appointment and dismissal of directors of each of the Core Subsidiaries and exercises the approval rights held by MHFG with respect to the appointment and removal of representative directors and senior directors of the Core Subsidiaries.

The Chairman of the Nominating Committee shall be an outside director, and in principle its members shall be appointed from among outside directors (or at least Non-Executive Directors) in order to ensure objectivity and transparency in the appointment of directors. All members of the Nominating Committee, including the Chairman, are currently outside directors.

○Compensation Committee

The Compensation Committee of MHFG determines the compensation for each individual director and executive officer of MHFG, exercises the approval rights held by MHFG regarding compensation of each individual director of the Core Subsidiaries, and determines the basic policies and compensation system for directors and executive officers of MHFG and the Core Subsidiaries.

The Chairman of the Compensation Committee shall be an outside director, and in principle its members shall be appointed from among outside directors (or at least Non-Executive Directors) in order to ensure objectivity and transparency in the compensation of directors. All members of the Compensation Committee, including the Chairman, are currently outside directors.

○Audit Committee

The Audit Committee of MHFG audits the execution of duties by the directors and executive officers, monitors and inspects the establishment and management of the internal control system of MHFG and its subsidiaries, monitors and inspects the condition of the execution of duties with respect to corporate management of subsidiaries and others by executive officers, prepares audit reports and determines the contents of proposals regarding the appointment, dismissal and non-reappointment of accounting auditors to be submitted to the general meeting of shareholders. In addition, the Audit Committee audits the legality and appropriateness of the execution of duties by directors and executive officers and executes its duties through effective coordination with the Internal Audit Group, etc., on the premise of the establishment and management of an internal control system of MHFG and its subsidiaries. The members of the Audit Committee who have been authorized to collect reports and investigate business property shall directly execute audits of directors, executive officers and the management level of each department and subsidiary.

Given that it is necessary for the Audit Committee to gather information through internal directors who are familiar with the financial business and related regulations, share information among the Audit Committee, and to have sufficient coordination with internal control departments, we in principle

appoint one or two Internal Non-Executive Directors as full-time members of the Audit Committee. The majority of its members shall be outside directors. Currently, among the five members of the Audit Committee, two members are appointed among Internal Non-Executive Directors as full-time members of the Audit Committee and three members are appointed among outside directors.

All members of the Audit Committee shall be independent under the provisions of the United States Securities and Exchange Commission and the rules of the New York Stock Exchange. Further, at least one member of the Audit Committee shall be a “financial expert” as defined under U.S. laws and regulations.

We have established committees and other organizations on a voluntary basis in addition to the above legally-required three committees as set forth below:

☐ Human Resources Review Meeting

We established the Human Resources Review Meeting that consists of the President & CEO and outside directors who serve as members of the Nominating Committee and Compensation Committee as a deliberative body that mainly conducts the deliberation of proposals to appoint executive officers as defined in the Companies Act, and executive officers as defined in our internal regulations with special titles of MHFG and executive officers as defined in our internal regulations with special titles of Core Subsidiaries and assessment of executive officers.

☐ Risk Committee

We established the Risk Committee that in principle fully consists of Non-Executive Directors or external experts as an advisory body that mainly advises the Board of Directors with respect to the determination and the supervision regarding risk governance, as well as the supervision of the status of risk management, etc.

☐ Outside Director Session

We established the Outside Director Session that consists of all outside directors and the President & CEO as a forum for free discussions with an aim to deepen outside directors’ understanding of our group and share the top management’s awareness of issues through communication among directors.

☐ Execution of Duties

☐ Executive Officers

Executive officers of MHFG take charge making decisions on business execution delegated by a resolution of the Board of Directors and implementing the business execution of MHFG.

We appoint as executive officers the Group CEO and, in principle, all heads of In-house Companies, Units and Groups, based on the policy that it is necessary to appoint as executive officers people who assume a managing role.

While the President & CEO is responsible for the business execution of MHFG, after the President & CEO makes decisions on matters delegated by the Board of Directors, determined matters shall be reported to the Board of Directors at least once every three months as part of the status of the execution of duties.

The Executive Management Committee was established to serve as an advisory body for the President & CEO and discusses important matters concerning the execution of business operations as necessary. The following business policy committees have been established to comprehensively discuss and coordinate cross-sectional issues and important matters in terms of group business strategy. The business policy committees meetings and group strategy conferences are held as necessary.

<Business Policy Committees>

- Management Governance Enhancement Committee: Discusses and coordinates important issues to enhance corporate governance and risk governance, with our Group CEO as its chairperson.

- Business Continuity Management Committee: Discusses and coordinates basic policies on business continuity management, annual business planning and other various measures.

Two other committees have been established separately from the Business Policy Committees to deal with specific issues. These committees discuss, disseminate information and promote policies concerning operations under their jurisdiction as necessary.

- Human Rights Awareness and Promotion Committee: Discusses, disseminates information and promotes policies concerning human rights initiatives.
- Committee to Encourage Employment of People with Disabilities: Discusses, disseminates information and promotes policies concerning the employment of handicapped people and securing their role in the workplace.

□Internal Audit Function and Others

The Internal Audit Committee is chaired by the President & CEO. The committee discusses and determines important matters concerning internal audit on the basis of the basic policy determined by the board and reports all decisions made by the committee to the Audit Committee and the board.

To ensure independence of the internal audit function from the audited sections, we separate the Internal Audit Group from the groups which it audits and establish it as an independent group in its own right under the control of the Internal Audit Committee.

External experts in their field (consisting at present of one lawyer and one CPA) are also on the Internal Audit Committee to strengthen the specialist nature and impartiality of the committee.

The internal audit infrastructure MHFG has established is as follows: MHFG has set up an Internal Audit Department to carry out internal audits based on the basic audit policies and the internal audit regulations determined by the Board of Directors. It also checks the internal control structure of the various companies

on the basis of the reports it receives from the major group companies of the results of internal audits and problems and issues that have been investigated by them. Thus, all information on the status of the major group companies' internal audits is held and controlled by MHFG's Internal Audit Department. The results of both MHFG's and the major group companies' internal audits are reported to the Internal Audit Committee on a regular basis and at other times as necessary by the head of the Internal Audit Group who is the director with responsibility for internal audits.

A total of four CPAs were responsible for executing MHFG's accounting audit during the fiscal year: Mutsuo Emi, Ryuji Takagi, Junko Kamei and Shinichi Hayashi, all of which belong to the accounting firm of Ernst & Young ShinNihon LLC.

Personal profiles are not provided as none of the above has a record of more than seven years' continuous service as an auditor of MHFG. Ernst & Young ShinNihon LLC has taken measures to ensure that the above auditors belonging to it are not assigned to the audit of MHFG for more than a stipulated period. As of March 31, 2017, there were also fifty-two CPAs who assist them in the audit of MHFG and sixty-six other assistants.

3. Reason for adopting current corporate governance structure

We transformed into a Company with Three Committees with the belief that, under the current legal system, a Company with Three Committees is the most effective as a system to realize our fundamental perspectives regarding our corporate governance system for the following reasons:

- (1) To allow executive officers to make swift and flexible decisions on business execution and to implement business execution, and to allow the Board of Directors to focus on determining matters such as basic management policies and effectively supervising management.
- (2) To secure to the fullest extent possible a checks and balances function that fully utilizes the viewpoints of outside parties and objectively secure appropriateness and fairness in decision-making through members of the Nominating Committee, the Compensation Committee, and the Audit Committee, which consist mainly of outside directors.
- (3) To make possible the creation of systems that are necessary to realize the fundamental perspectives regarding the corporate governance in a form that takes into account what we aim to be and its challenges.
- (4) To be in line with governance systems that are required globally with a strong recognition that our group operates globally and is in a position in which it should play a leading role in the industry as a financial group that is a Global Systemically Important Financial Institution (G-SIFI); to continue constructing an even stronger governance system that will agilely respond to domestic and global structural changes and overcome a highly competitive environment; and as a result, to allow us to fulfill its social role and mission, which is to realize continuous and stable corporate growth and improved corporate value and shareholder interests and contribute to domestic and global economic and industrial development and prosperity of society, in response to the demands of our stakeholders.

IV. Internal control framework

1. Internal control framework

Each director, including outside directors, supervises the status of various management by periodically receiving reports concerning the status of management of divisions in charge of compliance and risk monitoring, etc., at meetings of the Board of Directors.

The Audit Committee audits the legality and appropriateness of the execution of duties by directors and executive officers, etc., and executes its duties through effective coordination with the Internal Audit Group, etc., based on the establishment and management of an internal control system in MHFG and its subsidiaries. Audit Committee members who are authorized to collect reports and investigate business property directly execute audits of directors and executive officers at the management level of each in-house company, unit, group, etc. and Subsidiary.

Following the concept of the “three lines of defense” as shown in the Basel Committee on Banking Supervision’s “Corporate governance principles for banks”, in addition to autonomous controls by the in-house companies, units, etc. (1st line-of-defense) and monitoring by the departments in charge of compliance and risk management (2nd line-of-defense), we have internal audit departments that belong to the internal audit group, based on the Internal Audit Committee that is independent from 1st line-of-defense and 2nd line-of-defense, which conduct internal audits (3rd line-of-defense) for the in-house companies, units, etc. as well as for the departments in charge of compliance and risk management. Through these measures, we ensure the appropriate nature and effectiveness of our internal controls.

In addition, as part of its efforts to strengthen its internal control framework, MHFG has set up the Disclosure Committee and enhance its disclosure controls and procedures.

(Structure to Ensure Appropriate Conduct of Operations)

MHFG reviewed the operational status and related matters of its “Structure for Ensuring Appropriate Conduct of Operations” prescribed by the Companies Act and the Enforcement Regulations of the Companies Act, which was resolved at the Board of Directors meeting held on April 22, 2016, and it was confirmed that there were no structural or operational issues. Thereafter, at the Board of Directors meeting held on April 24, 2017, MHFG resolved to make revisions thereto.

The “Structure for Ensuring Appropriate Conduct of Operations” resolved through its Board of Directors meeting held on April 24, 2017 is as summarized below.

(1) Matters concerning employees designated as assistants for the Audit Committee’s duties

Establishment of the Audit Committee Office	MHFG designates the Audit Committee Office as the office in charge of matters concerning assistance in the performance of the Audit Committee’s duties and matters concerning the secretariat for the Audit Committee, and the General Manager of the Audit Committee Office manages the office’s business under the instructions of members of the Audit Committee.
---	--

The foregoing has been set forth in the “Regulations of the Audit Committee” and “Organization Regulations,” etc.

(2) Matters concerning measures for ensuring that employees assisting the Audit Committee’s duties remain independent from Executive Officers as defined in the Companies Act and the effectiveness of the instructions to such employees

Prior consent of the Audit Committee	Prior consent of the Audit Committee shall be obtained with respect to the establishment of the budget of the Audit Committee Office in charge of matters concerning assistance in the performance of the Audit Committee’s duties, reorganization thereof and personnel changes, etc., of employees assigned thereto.
Ensuring Sufficiency and Independence of Structure	The Audit Committee, from the perspective of ensuring the effectiveness of the audit, takes into consideration whether the sufficiency of the structure of assistant employees, etc., and the independence of assistant employees, etc., from Executive Officers as defined in the Companies Act or other person performing an executive role, are ensured.

The foregoing has been set forth in the “Regulations of the Audit Committee” and “Auditing Standards of the Audit Committee,” etc.

(3) Structure concerning reports to the Audit Committee

a. The structure under which Directors (excluding Directors who are members of the Audit Committee), Executive Officers as defined in the Companies Act and employees of MHFG report to the Audit Committee

Attendance at meetings of the Audit Committee by Directors, Executive Officers as defined in the Companies Act and employees of MHFG	The Audit Committee may, whenever necessary, have Directors, Executive Officers as defined in the Companies Act and employees of MHFG attend meetings of the Audit Committee and request reports and opinions by such persons. Directors, Executive Officers as defined in the Companies Act and employees of MHFG shall, upon request by the Audit Committee, attend meetings of the Audit Committee and explain matters requested by the Audit Committee.
	The Audit Committee receives reports from the Compliance Group, the Risk Management Group, the Strategic Planning Group, the Financial Control & Accounting Group, etc., on matters concerning the internal control system, and, whenever necessary, requests investigation of relevant matters.
Coordination with the Internal Audit Group	The Audit Committee cooperates with the Internal Audit Group regularly and flexibly, such as by receiving reports of the auditing plans or audit results, etc., from the Internal Audit Group, and whenever necessary, requesting investigation of relevant matters or giving specific instructions to the Internal Audit Group.

“Structure under which Directors (excluding Directors who are members of the Audit Committee), Executive Officers as defined in the Companies Act and employees of MHFG report to the Audit Committee,” including the foregoing matters, has been set forth in the “Corporate Governance Guidelines,” “Regulations of the Audit Committee,” “Auditing Standards of the Audit Committee” and “Regulations of the Internal Audit Committee,” etc.

b. The structure under which directors, corporate auditors or other persons equivalent thereto and employees of MHFG's subsidiaries or persons who receive reports from such persons report to the Audit Committee

Attendance at meetings of the Audit Committee by directors, corporate auditors, executive officers and employees of subsidiaries, etc.	The Audit Committee may, whenever necessary, have directors, corporate auditors, or other persons equivalent thereto and employees of MHFG's subsidiaries, etc., attend meetings of the Audit Committee and request reports and opinions by such persons. Directors, corporate auditors, or other persons equivalent thereto and employees of MHFG's subsidiaries, etc., shall, upon request by the Audit Committee, attend meetings of the Audit Committee and explain matters requested by the Audit Committee.
Reports, etc., of the Status of Management of Subsidiaries, etc.	The Audit Committee and members of the Audit Committee receive reports or explanations concerning the status of management of subsidiaries, etc., from Executive Officers as defined in the Companies Act and employees, and inspect relevant documents. The Audit Committee and members of the Audit Committee shall, whenever necessary in order to audit the circumstances regarding the execution of duties by Directors and Executive Officers as defined in the Companies Act, request subsidiaries, etc., to provide reports regarding their businesses or investigate the status of their operations and properties.

“Structure under which directors, corporate auditors, or other persons equivalent thereto and employees of MHFG's subsidiaries or persons who receive reports from such persons report to the Audit Committee of MHFG,” including the foregoing matters, has been set forth in the “Corporate Governance Guidelines,” “Regulations of the Audit Committee” and “Auditing Standards of the Audit Committee,” etc.

(4) The structure to ensure that persons who report to the Audit Committee are not treated disadvantageously due to such report

Prohibition of Disadvantageous Treatment	MHFG maintains a compliance hotline where employees, etc., may report when they find any problems concerning compliance, such as violation of laws or violation of office regulations. The compliance hotline is implemented through policies such as, with respect to informing or reporting the relevant matters to ensure confidentiality; not to disclose the personal information of those who report to any third party without their consent; to give consideration not to identify those who report in the factual investigation; and not to disadvantageously treat those who report in any personnel changes matter or any other aspects due to such report.
	Persons who report to the Audit Committee shall not be treated disadvantageously due to such report.

“Structure to ensure that persons who report to the Audit Committee are not treated disadvantageously due to such report,” including the foregoing matters, has been set forth in the “Basic Policy of Compliance,” etc.

(5) Matters concerning policies for the procedures for prepayment or reimbursement of the expenses incurred for the execution of duties by members of the Audit Committee (limited to the execution of duties for the Audit Committee) or treatment of other expenses or liabilities incurred for the execution of such duties

Burden of Expenses	The Audit Committee or members appointed by the Audit Committee, whenever necessary, may utilize attorneys-at-law, certified public accountants or other experts, and are authorized to pay such expenses and request MHFG to reimburse such expenses deemed necessary for the execution of duties. MHFG shall bear such expenses.
--------------------	--

The foregoing has been set forth in the “Regulations of the Audit Committee” and “Auditing Standards of the Audit Committee,” etc.

(6) Other structures to ensure the effectiveness of audits by the Audit Committee

Appointment of members of the Audit Committee	Given that, as a financial institution, it is essential for MHFG to ensure the effectiveness of the activities of the Audit Committee, and that it is necessary for the Audit Committee to gather information through internal directors who are familiar with financial businesses and regulations, and share information among the Audit Committee, and to have sufficient coordination with internal control departments, MHFG in principle appoints one or two Non-Executive Directors who are internal directors as full-time members of the Audit Committee.
Coordination with Internal Audit Group, etc.	The Audit Committee executes its duties through effective coordination with the Internal Audit Group, etc., based on the establishment and management of internal control systems at MHFG and its subsidiaries.
