<Special Items>

Inbound leisure demand continued to be firm as the number of inbound visitors to Japan recorded the highest for one month in August. At many of JHR’s hotels in major local cities, rooms department sales exceeded those of the same month last year, driven by steady inbound leisure demand. (Please note that with regard to Oriental Hotel Hiroshima, one of The Nine HMJ Hotels, the rooms department sales dropped due to the rebound in August from the same month last year when the hotel was in high demand from an inter-high school athletic competition as it affected last month too.)

In ibis Tokyo Shinjuku, one of The Six Accor Hotels, renovation work started in May was completed in early August and all guest rooms resumed its sales.
