

## Results for the Third Quarter of FY2025/3

# Consolidated Results for the Third Quarter of FY2025/3

# New orders received, order backlog, and net sales reached record highs for two consecutive years

The market environment continued to be generally strong.

New orders received, order backlog, and net sales all reached record third-quarter highs for two consecutive years while we closely watched the impact of the regulatory cap on overtime work hours.

#### Planned responses were made to rising costs

Addressed rising costs, such as rising raw material prices and increasing labor costs, by working to revise prices as planned and streamline operations.

Third-quarter profit was the second-highest level after the fiscal year ended March 31, 2020.

# Initiatives for improving profitability will be continuously advanced

Progress toward the full-year business forecast is favorable.

Continuously advance with various measures to achieve the targets for the fiscal year ending March 31, 2029, set in Medium- to Long-Term Vision 2028, and work to further improve profitability.
