**[Monthly comment]**

In January, net sales totaled 110.6% for existing stores compared with the previous year and 121.3% for all stores.

In January, sales of winter apparel and home appliances such as heating equipment were favorable as there were more low-temperature days compared with the previous year. In addition, sales of items of a variety of categories such as brand items, hobby-related items and sports and outdoor items performed strongly. Due to these factors, sales for both existing stores and all stores increased year on year.

**[Information on opening and closing stores]**

Treasure Factory Style (fashion): One store opened in Gotokuji on January 17.

Treasure Factory (general): One store closed in Narashino on January 31.
