Auditor's Responsibilities for the Review of the Condensed Quarterly Consolidated Financial Statements

Our responsibility is to express a conclusion on these condensed quarterly consolidated financial statements based on our review.

As part of a review in accordance with review standards for interim financial statements generally accepted in Japan, we exercise professional judgment and maintain professional skepticism throughout the review. We also:

- Conclude based on the evidence obtained whether anything has come to our attention that causes us to believe that the condensed quarterly consolidated financial statements are not prepared in accordance with Article 5, Paragraph 2 of the Standards, applying the provisions for reduced disclosures as set forth in Article 5, Paragraph 5 of the Standards, should we determine that a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going
