### Notice of Partial Sale of Investment Securities

We resolved to sell a portion of the investment securities we held today and realized a gain on the sale of investment securities as of the same date.

We are pleased to announce the following:

#### Notation

#### 1. Reasons for sales of investment securities

With the aim of improving the efficiency of its assets and strengthening its financial position.

#### 2. Details of sales of investment securities

- ① Shares sold: 1 listed stock held by us
- ② Date of sale of investment securities: September 24, 2025
- ③ Gain on sales of investment securities: ¥140 million

#### 3. Future Outlook

As a result of this sale, ¥140 million will be recorded as non-operating revenue during the third quarter of the fiscal year ending December 2025.

The impact on the full-year results for the fiscal year ended December 2025, including other factors, is currently under scrutiny, and we will disclose it promptly if a revision of the results is required in the future.
