## **GungHo's highly popular puzzle RPG "Puzzle & Dragons" has exceeded 16 million downloads on a cumulative basis in North America.**

GungHo Online Entertainment, Inc. ("GungHo") (headquartered in Chiyoda-ku, Tokyo, Japan) (Representative Director, President and CEO: Kazuki Morishita) today announced that the puzzle role-playing game (RPG) "Puzzle & Dragons", which is available from GungHo on iOS and Android™, has exceeded 16 million downloads\* on a cumulative basis since its release in North America on Friday, November 28, 2025.

"Puzzle & Dragons" currently has been played by users of 6 countries and regions including Japan. In the global market, "Puzzle & Dragons" achieved 63 million downloads in Japan, 3 million downloads in Hong Kong and Taiwan, 3 million downloads in South Korea, and the number of users has been increasing steadily.

In North America, "Puzzle & Dragons" was released in United-States for iOS devices on November 8, 2012, and for Android™ devices on December 10, 2012. In Canada, the service started for Android™ devices from April 21, 2014, and for iOS devices from August 28, 2014.

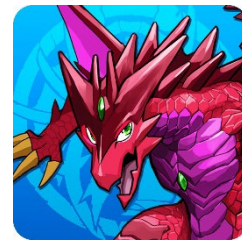

The game has been played by a significant number of users. As a result, the number of downloads in North America has exceeded 16 million downloads on a cumulative basis on Friday, November 28, 2025, on an iOS version and Android version combined basis.

We would appreciate all your worldwide support of "Puzzle & Dragons" from bottom of our hearts, and under the philosophy of "pursuing business operations to take on challenges and create new products," at GungHo, we will strive to create high-quality game content that can be fully enjoyed by game users around the world.

\* The cumulative number of downloads in North America does not include duplicate downloads from the same device at each store. (As of December 10, 2025)
