# Smartphone/PC MMORPG 『RAGNAROK ONLINE 3』 Service to Begin in Japan!

GungHo Online Entertainment, Inc. (“GungHo”) (headquartered in Chiyoda-ku, Tokyo, Japan) (Representative Director, President and CEO: Kazuya Sakai) today announced that the smartphone and PC MMORPG “RAGNAROK ONLINE 3” will be released in Japan.

“RAGNAROK ONLINE 3”, is the latest game in the Ragnarok Online series (commonly known as “RO”), a series that is still loved around the world and shines brightly as a piece of MMORPG history.

While carrying on the original atmosphere, job system, classic content, and other distinctive elements of the original game, this new game features a modern art style and restructured systems that enable global interaction and cooperative play, allowing both a new generation of players as well as original fans of the series to enjoy the reborn world of Ragnarok. In addition, certain content, such as status and skill building and siege battles, are based on a season system that is updated on a regular basis, meaning that players will enjoy new experiences and new ways to play with each new season.

Global distribution (excluding some regions) by a consolidated subsidiary Gravity Co., Ltd. Group has been decided, and preparations are currently underway for service in Japan.

We at GungHo will strive to create high-quality game contents that can be fully enjoyed by game users around the world and expand our business globally, under the philosophy of “pursuing business operations to take on challenges and create new products.”
