1. Expected Date of Changes
   January 1, 2027

2. Background of the Changes

   As announced in the "Notice Concerning Establishment of an Intermediate Holding Company through an Incorporation-type Company Split (Simplified Incorporation-type Company Split)" released on November 16, 2026, by GMO Internet Group, Inc. (Tokyo Stock Exchange Prime Market, Securities Code: 9449; hereinafter "GMO Internet Group"), which directly holds shares of the Company and is its major shareholder, largest shareholder and parent company, GMO Internet Group resolved at a meeting of its Board of Directors held today to establish an intermediate holding company, Z Corp. (hereinafter "Z Corp."), through an incorporation-type company split pursuant to Article 762, Paragraph 1 of the Companies Act (a simplified incorporation-type company split pursuant to Article 805 of the Companies Act; hereinafter the "Company Split"), and to have Z Corp. succeed to all of the common shares of the Company held by GMO Internet Group (voting rights ratio: 52.06%).

   As a result, on the effective date of the Company Split (scheduled for January 1, 2027), Z Corp. is expected to newly become a major shareholder, the largest shareholder who is a major shareholder, and a parent company of the Company. Accordingly, GMO Internet Group will cease to be a major shareholder and the largest shareholder who is a major shareholder of the Company.
