Notice of Revision to Year-End Dividend Forecast (No Dividends) for the Fiscal Year Ending March 31, 2027

Wacom Co., Ltd. (the "Company") hereby announces that the Company resolved, at its Board of Directors meeting held today, to revise the year-end dividend forecast announced on May 12, 2026, and not to pay a year-end dividend for the fiscal year ending March 31, 2027. This decision was made in light of the fact that MP-2611 Co., Ltd (the "Tender Offeror") is scheduled to commence a tender offer (the "Tender Offer") for the common shares of the Company (the "Company Shares") and the American Depositary Receipts relating to the Company Shares (the "ADRs") issued in the United States by Citibank, N.A., The Bank of New York Mellon, and Deutsche Bank Trust Company Americas (collectively, "the Depositary Banks"), as set out in the "Notice of Opinion on the Planned Tender Offer in Connection with a Management Buyout and Recommendation to Tender Shares" (the "Press Release on Company's Opinion"), announced today. Details of the dividend forecast revision are set out below.

1. Details of Dividend

	Annual dividend (yen)		
	Second quarter-end	Year-end	Total
Previous forecast (Announced on May 12, 2026)	12.00 yen	12.00 yen	24.00 yen
Revised forecast		0.00 yen	12.00 yen
Actual results for the current fiscal year (Fiscal year ending March 31, 2027)	12.00 yen		12.00 yen
Actual results for the previous fiscal year (Fiscal year ended March 31, 2026)	11.00 yen	15.00 yen	26.00 yen

(Note) The year-end dividend for the previous fiscal year of 15.00 yen includes a commemorative dividend of 3.00 yen.

2. Reasons for Revision of Dividend Forecast

The Company resolved at its Board of Directors meeting held today, as its opinion as of today, to express its opinion in favor of the Tender Offer and recommend that the shareholders of the Company tender their Company Shares in the Tender Offer, and that the holders of the ADRs deliver their ADRs to the Depositary Banks in advance and receive the Company Shares related to the American Depositary Shares deposited at the Depositary Banks and represented by ADRs and tender such Company Shares in the Tender Offer, if the Tender Offer commences.

The above resolution has been adopted based on the assumption that the Company Shares are taken private and scheduled to be delisted through the Tender Offer and the subsequent series of procedures. For details, please see the Press Release on Company's Opinion, separately announced today.

With respect to shareholder returns for the fiscal year ending March 31, 2027, the Company's policy is to maintain its financial soundness while targeting a consolidated total return ratio of at least 50% and, in principle, to implement progressive dividends. However, the Company has decided not to pay a year-end dividend for the fiscal year ending March 31, 2027, since the purchase price per share of the Company Shares in the Tender Offer has been comprehensively determined and decided based on the premise of the Company's nonpayment of the year-end dividend with a record date of March 31, 2027.

The Company resolved at its Board of Directors meeting held on October 30, 2026 to pay an interim dividend (record date: September 30, 2026) of 12.00 yen per share, as previously forecast. The dividend is scheduled to take effect on December 4, 2026.
